IJDSST Special Issue Call for Papers on

Analytics, Decision Support Systems and Technologies in response to Global Crisis Management

organized by the EURO Working Group on DSS

International Journal of Decision Support System Technology

Editor in Chief: Pascale Zaraté (Toulouse University)

This Special Issue aims to publish original papers that contribute to the incorporation of Analytics, Decision Support Systems and Technologies in response to Global Crisis Management. The Issue will include high quality revised papers, selected and extended from the EWG-DSS 7th International Conference on Decision Support System Technology (ICDSST 2021) on the topic of **Decision Support Systems, Analytics and Technologies in response to Global Crisis Management,** held in Loughborough University, Loughborough, UK, between May 26th and 28th, 2021.

Submission Guidelines

Authors will be invited by the Guest Editors for full papers submission to this Special Issue.

Submissions should be sent electronically, via the EasyChair account for this IJDSST Special Issue (IJDSST-SI EWG-DSS 2021)
Link: https://easychair.org/conferences/?conf=ijdsstsi2021

All manuscripts must be in English and should be written in accordance with the Guidelines for Submissions of IGI Global which can be found on the Journal's web-site: https://www.igi-global.com/publish/contributor-resources/before-you-write/. All submissions will be peer-reviewed and meet the same submission requirements as a regular IJDSST paper submission.
